Messrs. A. Eastman & Co. B. A. S.

I have been using your "Golden Fleece Dip" for the cure of scab in sheep during the whole year and I have not seen its equal in these parts. It is an efficient and rapid cure, it not only destroys the scab in a very short time, but soon produces a new growth of wool.

I have delayed writing you sooner in order that I might be the better able to judge of the effects of the medicine and to compare it with the remedies used by other sheepmen, none of whose flocks are at all so free from scab as mine, although they have been working far more constantly than I, to keep down scab, its regards its cost, it is the most profitable of any I have ever used or know of.

You are at liberty to use this as you may see fit and remain
